

PLASTICS TECHNOLOGY EXPO 2022

MARCH 29-31, 2022
DONALD E. STEPHENS
CONVENTION CENTER
ROSEMONT, IL

Fast Facts

WHY PTXPO, WHY NOW?

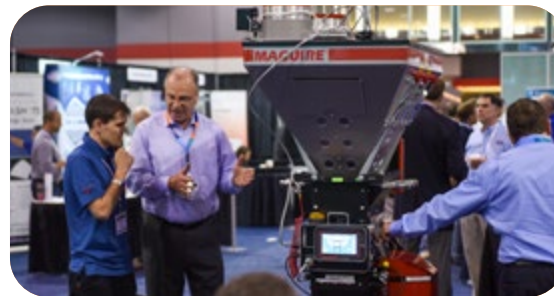

We asked. Our industry **SHOUTED**. And we not only listened, we took action.

Based on professional research, we learned that the members of the plastics processing community desire a large-scale in-person trade show and knowledge-sharing event that:

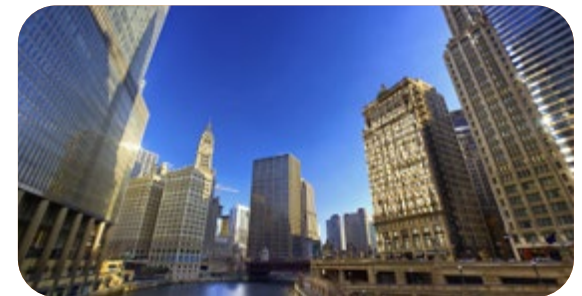

BUILDS EXPOSURE

and encompasses the entire plastics processing supply chain sphere from start to finish.

BUILDS EXPERIENCE

and brings us together every year, under one roof to receive hands-on learning about new equipment and services.

BUILDS EXCITEMENT

and is in the epicenter of North American manufacturing, Chicago, making it convenient and simple to convene with peers, prospects and partners.

WHAT MAKES PTXPO DIFFERENT?

ILLUMINATES THE WHOLE PLASTICS PROCESSING SUPPLY CHAIN

The PTXPO show floor is organized by seven technology pavilions so buyers can easily find you, meet with your team and discover what you have on display.

Injection & Blow Molding

Extrusion & Thermoforming

MoldMaking

Auxiliary Equipment

3D Printing

Materials

Recycling

UNITES EVERYONE YOU WANT TO DO BUSINESS WITH EVERY YEAR, NO GAP YEARS

PTXPO fills a major void in the years that NPE is inactive and provides the venue to show off all your newest technology solutions as soon as you release them.

DRAWS FROM THE CHICAGO AREA, NORTH AMERICA'S MIDWEST HUB FOR MANUFACTURING

The plastics industry has not had an event in the heart of North American manufacturing since 2009. Rosemont, IL (Chicago) is simple to travel to, within driving distance of thousands of buyers, and is an internationally-adored destination city.

- Chicago is the **third largest** city in the country.
- Illinois is in the **top five** manufacturing states in the U.S.
- There are **4,300+** plastics, rubbers and metals manufacturers in the state.
- **More than 290k** Illinois workers are employed in advance manufacturing.

is your one-stop sales solution

Strategically designed to be the preeminent plastics processing trade show in North America, PTXPO is destined to be the single-most effective marketplace in 2022, with an unmatched platform for:

- Showcasing the newest plastics processing, mold making and 3D printing equipment and services
- Meeting qualified buyers
- Reinforcing customer relationships
- Inking deals and conducting critical business for the year ahead
- Being seen as a leader in the industry

Hundreds of exhibiting companies have already secured their spots to join us in Rosemont, IL this March and premium space is selling quickly. Stand out as one of the largest innovators in our industry and join a broad variety of businesses representing all facets of the plastics manufacturing supply chain.

You will meet...

**TOP DECISION-MAKERS
AND INFLUENCERS**

- Owners and CEOs
- Manufacturing Managers and Supervisors
- Engineers and Technicians
- Procurement and Sourcing Professionals
- Supply Chain and Buying Teams
